A) For items (1-4), read the following text carefully, and then choose from A, B, C or D the correct answer to complete each of the following sentences.

Is pizza one of your favourite foods? If it is, you're not alone. Pizza is a very popular food. Every year, about three billion pizzas are sold in the United States. Kids like pizza more than any other type of food. For lunch or dinner, kids would rather eat pizza than anything else. Why do people love pizza so much? One reason is that pizza is easy to eat. You don't even need a knife or fork. Another reason is that there are many kinds of pizza. So, no matter what your taste is, you can find a pizza you like. Pizza is also inexpensive. You can have a very tasty meal without spending a lot of money. It lets you eat several different kinds of food at the same time. The sauce, the crust, the cheese, and the toppings all taste a little different, but they also taste very good together.
